

I the deposition of Benjamin Gould aged about 23 years
do testify and swear on the 6 day of April 1842
Gould and his wife came to my house and when locked
upon me here time and then went away and immediately
I had two punches upon my side all so another
time I saw girls Gould and John proctor and I had
then such a pain in one of my feet that I had not
wore my shoe for 2 or 3 days
I do believe in my
Gould
