

The Depositions of Sarah Wibber aged about 36 years who testifies and
saith that on the 3^d June 1692 Jno: proctor senr. came to me and did most griev-
ously torment me by pinching pricking and almost pressing me to death urging me
to drink: drink as Red as blood which I refused. He did torture me with variety
of tortors and immediately he vanished away also on the same day I saw Jno:
proctor most grievously torture Susannah Shelden by clapping his hands on her
throat and almost choaking her. also several times since Jno: proctor senr. has
most grievously tortured me a great many times with variety of tortors.
Sarah Wibber owns this her testimony to be the truth on her oath before
the Justices of the Peace this 30th of June 1692 *Forat in Curia*
