NICOLA SACCO AND BARTOLOMEO VANZETTI

AFFIDAVIT OF ~~PATRICK J. M.~~ CHESTER W. GOWARD.

~~I~~ I, Chester W. Goward, of Riverside, East Providence, County of Providence and State of Rhode Island, being first duly sworn, do depose and say, that I live at 40 Linden Street, Riverside, East Providence, and am employed as a newspaper photographer by the Providence Journal Company, publishers of the Providence Journal and the Evening Bulletin, daily newspapers, published in Providence, Rhode Island; and that I have been employed by the said company for about three years.

I further depose and say that on November 7, 1924, while I was employed by the said company, I made a picture of a group consisting of four members of the Providence police department, two men who were represented to me as being members of the Massachusetts state police, and three men who were handcuffed and represented to me as being under arrest in connection with an attempted bank robbery and the shooting of a bank official at Wrentham a few days previously; that the group above named was assembled in the yard of the Providence police station on Fountain Street, and that I arranged the group to pose for a picture, and I then made the picture and obtained from the police officials in charge identifications of the various persons in the group. The picture which I made was ^{published} ~~printed~~ in ~~the~~ the Providence Journal on November 8, 1924, appearing as a

seven-column cut, on page 3, section 1.

I further depose and say that I have this day made, from a copy of the issue of the Providence Journal of November 8, 1924, on file in the reference room of the Providence Journal Company, a photograph of the group picture appearing in said page 3, and that the group picture attached to this affidavit is a picture made by me this day from the plate which I made this day of the picture as it appeared on said page 3.

I further depose and say that the smaller picture attached to this affidavit is a true reproduction of the picture of Celestino F. Madeiros, who gave the name of Fred Bedard as an alias, appearing in the group picture which I made originally on November 7, 1924, as described aforesaid; and I recognize the said smaller picture as being an enlarged picture, made from a photograph of the picture of the said Madeiros, as it appeared in the group picture which I made originally on November 7, 1924, as aforesaid; and I ~~xxx~~ recognize the smaller picture attached to this affidavit as aforesaid, as being a picture of the man who gave his name as Fred Bedard, but whose real name, as I was informed by the Providence police officials, was Celestino F. Madeiros.

Chester W. Howard
