

The Deposition of Ann Putnam ^{junr} who testified and saith some
time in April 1692 there appeared to me the Apparition of an old
short woman that took me for some way Martin and that she
came from Amherst who did formerly affect me writing me to write
in his book but on the 21st May 1692 being the day of his examination
Susannah Martin did most grievously affect me during the time of
his examination for when she did but look personally upon she would
stiff me down or almost choke and several times found the Apparition
of Susannah Martin has most grievously affected me by pinching me
almost choking me writing me vehemently to write in his book: also on
the the day of his examination I saw the Apparition of Susannah
Martin goe and affect the bodies of M^{rs} Waight M^{rs} Lewes
Elizabeth Hubbard and Abigail Williams
