## POW/MIA RECOGNITION DAY PROCLAMATION

September 19, 2014

WHEREAS, nearly 1643 Americans are still missing from the Vietnam War, approximately 8,000 unaccounted for from the Korean War, 120 from the Cold War and over 78,000 from WWII, one MIA in Iraq, and one POW in Afghanistan; and

WHEREAS, their families, friends and other concerned Americans still must deal with uncertainty concerning their fates; and

WHEREAS, the Obama Administration recently has reinforced its commitment to maintaining POW/MIA accounting as a priority of the United States, though concerns remain about adequate funding and personnel; and

WHEREAS, U.S. Government intelligence and other evidence indicate that most countries in which U.S. losses occurred could provide greater assistance to answer questions about missing Americans; therefore be it

RESOLVED, that the State of MA commends and endorses the national commitment to account as fully as possible for Americans still missing from our nation's wars; and be it further

RESOLVED, that the State of MA calls on the President, Secretary of State and Secretary of Defense to consistently raise with foreign counterparts the need for increased action to help account for our missing – alive and dead – and return them to the United States; and be it further

RESOLVED, that the State of MA calls on Congress to ensure that POW/MIA-related government offices and organizations receive the funding and personnel necessary to accomplish the principled mission of accounting for our missing veterans, thus signaling nations around the world that America stands behind those who serve; and be it finally

RESOLVED, that I, as Governor, do hereby proclaim September 19, 2014 as POW/MIA Recognition Day in the State of MA in honor of the two U.S. personnel missing and captured in Iraq and Afghanistan, returned U.S. POWs, and all Americans still captured, missing and unaccounted for from the Vietnam War, Korean War, Cold War and WWII, and ask all citizens to observe this day with appropriate ceremonies.
