Thank you, Governor Patrick for making the 3rd week of October as MALE Breast Cancer Awareness Week. It is wonderful you care about the male side of breast cancer, too.

Enclosed is the story about Brock from the 2010 edition of Health Connections from the Vineland, NJ "Daily Journal." Also last year Brock was mentioned in an article by Betsy De Parry that she wrote for the Ann Arbor, MI newspaper. Here is the link: (<http://bit.ly/Of6d7x>) Another article was written, last year, by Melissa DiPento. She writes for South Jersey Media.

Also stickers that my step son, Adam, designed to help with the fight of MALE breast cancer. The pins are made out of clay by me, also to spread the word. Anyone that wants the stickers, are sent some, at no charge. So THANK YOU again for caring by making 3rd week of October MALE Breast Cancer Awareness Week.

May God bless you, and your family.
