The group reviewed the three candidate interviews for the position of Roving Archivist and selected Rachel Onuf as their first choice. Jack Warner will contact Ms. Onuf to offer her the position starting in January, 2014. Following confirmation of her commitment to the position, Jack will contact the other candidates to inform them of our decision. Additionally, Jack, Veronica Martzahl, and Michael Comeau from the Massachusetts Archives will meet with MaryAnn Pistorino (who manages the grant) to ensure that everything is in place for contracts and payment starting in January.
