

The benediction of Susannah Sheldon aged about 55 years who testified  
 and saith that since I have been afflicted I have very often been most  
 grievously tormented by the oppression of Sarah Good who has most dreadfully  
 afflicted me by biting prickly and pinching me and almost choking me to death  
 but on the 26 June 1692 Sarah Good most violently pulled down my  
 head behind a chest and tied my hands together with a whole band  
 almost choked me to death and also several times since the Apples's death  
 of Sarah Good has most grievously tormented me by biting pinching and almost  
 choking me to death: also William Battin and Thomas Burlington quakers were  
 forced to cut the whole band from of my hands for they could not wry it  
 And further sd. Sheldon upon giving in the testimony to the grand jury was seized with  
 sundry fits with when she came to her self she told the sd. jury being asked that it  
 was sd. Good ~~that~~ afflicted her & a little after <sup>many women</sup> falling into a fit  
 sd. Sheldon affirmed to the grand jury that she saw ~~sa~~ Good upon her, & also a  
 sauser being by invisible hands taken of from the Table at which the jury  
~~sat~~ & carried out of door sd. Sheldon affirmed she saw said Sarah Good  
 carry it away & put it when it was found abroad

Susannah Sheldon: and this her testimony to be the truth before  
 the Justices of Inquest on the oath which she had taken  
 this 28. of June 1692
