**Brief summary of tape contents:**

The Cape Ann Finn Singers

Allie Enos, choir director

Miriam Lane, accodionist

Marianne Cygnel, master of ceremonies

First three songs are not recorded as well as the final song; this performance was not more than eight songs total

The Finn Singers are a small choir of older Finnish Americans (and friends) from Cape Ann. The director, Allie Enos, told the fieldworker that this was not a very good performance, as they have just lost their two "best voices" to cancer.
