

7/14/1969

Dear Governor,

October 6, 1683 is
considered the beginning of
German immigration to America.
German Americans have contributed
much and still do.

It is fitting that a Proclamation
for October 6th as German American
Day be issued from your Office.
It is my suggestion on behalf
of the German American Community
that your Office as Governor do so.

Thank you,
Raymond H. Schmidt
