

That testimony of William Batten aged 67 years or thereabouts and William Shaw aged 17
about 50 years and Deborah his wife aged about 40 years these all testify and say that
this day was a week ago. Hannah Shelding being at the house of William Shaw who
was tied her hands a week in such a manner that we were forced to cut the string
before we could get her hands loose and when she was out of her fit she told us it
happened that did tie her hands after that manner and 4 times she hath been tied
in this manner in four weeks time the 2 first times she says it was good Deftin and the
2 last times it was Sarah Good that did ~~afflict~~ tie her we surmised that when ever
she doth but touch this string she is presently bit
and surmised that in this time she was a broom carried away out of the
house in visible to us and put in a apple tree two times and a shirt and
a milk tub were carried out of the house three poles from the house into
the woods and she testified that says that it
