

# Massachusetts Leads the Nation in Veteran/Military Benefit Programs and Services

State Senator Michael F. Rush's office conducted a research study regarding veterans/military programs and services. The purpose of the report was to identify all programs and services that are available to veterans, military members, and their families in all 50 states. We give special thanks to Jeffrey Cameron for his help assembling this compilation, during his summer internship with Senator Rush.

We reviewed all 50 states' Department of Veterans Affairs and Department of Veterans' Services websites to identify all programs and benefits that assist eligible veterans, their families and active military/reserve/national guard service members under existing state laws. This report is a broad based overview, not a scientific study.

We have broken down the report into **8** categories of benefits/programs:

**Home** – State Veterans Homes

**Tax** – Tax Exemptions, Fee Exemptions, Tax Credits, Tax Benefits, Tax Refunds

**Financial** – Bonuses, Unemployment Compensation, Allowances, Funds, Benefits, Grants, Trust Funds, Annuities, Loan Programs

**Employment** – Employment Rights, Employment Services, Licenses, Insurance, Medical benefits, Workers Compensation, Employment Assistance, Training, Credit for Service, Work Study, Civil Service, Workforce Investment, Job Protection

**Education** – G.I Bill, Scholarships, Financial Aid, Waivers, Educational Benefits, Loans, Diplomas, Testing Prep, Funds, Training, Academic Credit

**Business** – Licensing, Exemptions, Tax and Fee Waivers, Enterprise Opportunities, Tax Credits, Loan Programs, Business Networks, Finance and Technical Programs, Bank Programs,

**Housing** – Land/Purchase Discounts, Loans, Adapted/Specialized Housing, Homeownership Assistance, Finance Agencies, Intervention Programs, Transitional Housing

**Other** – Voting, Licenses, Dependents, Public Records, Recording Documents, Permits, Military Credit, Burial Benefits, Transportation, Cemeteries, Memorials, Permits, Waivers, Guardianship, ID Cards, Exemptions, Medals, Funeral Honors, Claims Assistance, Treatment, Outreach, Registrations, Counseling, Reintegration.

Immediately below this introductory text, you will find Table 1. Table 1 cross-references the numerical representation of veterans' benefits, by state, in each category. This table shows that Massachusetts contains the highest number of total programs/benefits available to veterans among all 50 states.

Below **Table 1** there is a second table that presents the benefits available, by state, in more detail. Within **Table 2**, you will find each benefit linked to a primary source veteran's benefits resource in that state.

We remain proud that Massachusetts stands at the nation's forefront of services for our heroes.
