

The Deposition of Elizabeth Hubburt aged about 14 ye ars: who
testifieth and saith that she hath often seen the Apparition of
Susannah martin amongst the wiches but she did not hurt me
till the 12 day of may being the day of his examination: but then
she did affect me most grievously during the time of his examina-
tion for if she did but look personally upon me she would strike
me down or almost choak me: and severall times since the ap-
parition of Susannah martin has most grievously affected me
also on the day of his Examination I saw the Apparition of
Susannah martin goe and affect and almost choak Mary
walcott Mary Lewis Abigail Williams and Ann putnam junr
