

The Deposition of Sarah Wiber aged about 36 years who testifies
and says that since I have ben afflicted I have often seen the
Apperisition of Sarah Good but she did not hurt me till the 2 day of
May 1692 tho I saw her Apperisition most grievously ^{many times} tormenting me in
Salem on the 1st April 1692: but on the 2nd May 1692 the Apperisition of Sarah
Good did most grievously torment me by pressing my breath almost out
of my body and also she did immediately affect my child by pinching
of it that I could hardly hold it and my husband seeing of it took hold
of the child but it cried out and twined so dreadfully by reason
of the torture that the Apperisition of Sarah Good did affect it
with all that it got out of its fathers Arms to also severally
times ^{several} the Apperisition of Sarah Good has most grievously tormented
me by beating and pinching me and almost choking me to death and
pricking me with pinnes after a most dreadful manner

Sarah Wiber owned this last testimony to be the truth on this
oath she had taken: to for us the Jurors for Inquest: this: 28
of June: 1692

Twome. in Court June 29th
1692

And further shod that shes very certainly upon her Oath
that Sarah Good had bewitched her —
