His Excellency the Governor Deval Patrick  
The Commonwealth of Massachusetts  
Executive Branch  
State House  
Boston, Massachusetts 02133

Dear Governor Patrick:

We, at Philippine American Mainstream Advocacy For Nonpartisan Associations, (PAMANA) Inc., hereby respectfully request that you consider the next month to be designated as the "Filipino American History Month" here in Massachusetts. Perhaps, like other states, California adapted it a law - Filipino American History Month, October. Other states and cities like in Illinois and New York, proclaimed as well October the celebration of said recognition. With that said, it would be great as the Bay state Executive, will give similar due recognition for the Filipinos and Filipino Americans.

On October 6, 2013, PAMANA board of directors and committee members along with leaders of the Filipino American community members and friends will have an event. Within your power, that day would be an excellent opportunity to have such "proclamation" the recognition of the Filipino American constituents and residents to celebrate, if you will.

Sincerely,  
*Isabelo S. Solar*  
Isabelo S. Solar  
Chairman  
PAMANA, Inc.
