

What Sarah Good saith
1 with non 2 she saith that
she did see them no harme 3 she
saith no body to do the children
4 she saith that she hath
made no contract nor covenant
5 she saith that she never did
hurt the children 6 she saith that
she never had familiarity with the
devil 7 she saith that she never
saw the children in such a condition
she saith that she came not to
meeting for want of cloase
with nobody. But it is app
alme or a commandment: but
God is the god that made heaven
and earth she hopes: she saith
that she never did see no harme
to not peate

she saith it was not she it is
Gamer Osborne that with pinch
and afflict the children
William Good saith that she saith
that she is an enemy to all good
she saith she is cleave of being
a wick

What Gamer Osborne saith
1 she saith she had no hand in
hurting the children neither by her
self by in streaments
2 she saith that she saith that
she was more likely God
wicht than a wick
she said she would never be
leave the devil: the devil did
propound to her that she should
never go to meeting nor more
and at that time nothing was
suggested to her: she
why did she pinch the young
woman she never did not
dont know who did

What the Indgon woman saith
they have don no harme to ^{her} ~~them~~
she saith she doth not know how
the devil works - she is it that
hurts them the devil foot of horse
there is forced feet that hurts
the children 2 of the women
and gamer Osborne and gamer
Good and they say it is shee
one of the ~~devil~~ women is a devil
and short women and they would
have hurt god with them to
Gamer and she said that shee
did it at first but she
was sorry for it: it was
the apparance of a man that
came to her and told her that
she must hurt the children
and she said that 4 times claps
of a hog or a dog and she
saith him she said that shee
could not then she said he
would hurt her she all so
said that shee said a yalove
Good that said unto her saith me

and shee said 2 cats and they
said severe me she must more
pinch the children
she saith she sends the cat to do
her pinch them: and the man
sings the man and shee
pinch her: and they do pull
her and make her god with
them to not put them to perplex
them: and they make her to do
uppon a poole and they hold the
pell
and as soon as god all so
rides uppon poole
and by the 2 women would have
her kill Thomas putmeers: that
the 2 women and the man to do her
that if she told her must
they would call of her head

and yesterday totally abigall
said that she say a thing with wings
and 2 lodges and vanished into
the claps of Osborne and the Indgon
one the same: and all so Osborne
Osborne a short and Rary thing
with 2 lodges and to 10 wings
all so totally one that say good
sent a wolfe to scard the it mass
